COVID-19

SCREAMING EAGLES UPDATE #4

As of 1700, 08 April 2020

Fort Campbell Updated and Official Information

Facebook: <https://www.facebook.com/FortCampbell/>

Fort Campbell Official Website: <https://home.army.mil/campbell/index.php/covid-19>

Individual Tricare Nurse Advice Hotline: 800-874-2273, Option #1

Kentucky COVID-19 General Information Line: 800-722-5725

Tennessee COVID-19 General Information Line: 833-556-2476 / 877-857-2945

- Enjoy the training holidays and Easter weekend, but remember that **social distancing** remains the primary way to stop the spread of COVID. Follow local/state and CDC guidelines. Conduct **essential** travel and activities only!
- Mission Essential Manning (MEM) posture remains in effect at least through the end of April.
- Out of an abundance of caution, Fort Campbell's "Week of the Eagles" event (15-20 May) will not occur. Instead, the week's signature events, including the Air Assault competition and Division Run will occur later in the year as a part of other planned celebrations such as the Fourth of July and September 11th memorial.
- Fort Campbell remains at **Health Protection Condition Level "Charlie."**

Important Health Protection Measures – Protecting the Force is our top priority!

- All individuals on DoD property, installations, and facilities will wear **cloth face coverings** when they cannot maintain six feet of social distance in public areas or work centers, both indoors and outdoors. Apply military discipline and good judgement when selecting a face covering, for Soldiers this means earth tones (black, brown, olive green, tan).
- All **travelers** returning from OCONUS locations and those traveling domestically through commercial conveyance (does not include CONUS military planes and controlled buses) must undergo a 14-day quarantine.
- If you demonstrate **COVID-19 symptoms** (fever, cough, and difficulty breathing), contact the Military Health System Nurse Advice Line (NAL) at 1-800-TRICARE, option 1. Quarantine yourself at home or your barracks and follow the instructions of your care provider. Contact your chain of command.
- Continue to see your Primary Care Manager, especially if you have a chronic illness! PCMs are maximizing virtual appointments.
- BACH & clinics are limiting visitors, only one visitor is allowed for children, elderly or those in inpatient care.

Installation and Services Update:

- **Pharmacies** – Byrd, LaPointe, Town Center and Screaming Eagle are open under a drop-off, pick-up method. To reduce wait time, please call the pharmacy at 270-798-8075/8076 the day before you plan to visit.
- **Religious Services** – Now offered virtually at the **101st and Fort Campbell Chaplain's Office** Facebook page.
- **AAFES** – Beginning 03 April, shoppers can order at ShopMyExchange.com and pick up purchases curbside.
- **AAFES** – Barber shops remains open.
- **Commissary** – Face coverings are required for anyone that visits or works at the Commissary.

Soldier Administrative Updates:

- Each **PCS** case is unique and there are multiple options available to assist Soldiers who are facing difficulties due to the stop move order. Contact your chain of command or unit S1. Soldiers can request exceptions to policy to allow a PCS, stabilization at current duty station, or adjustments to report dates. The Service Members Civil Relief Act can help with breaking leases at current or new duty stations, contact Legal Services for assistance.
- The Army Traffic Safety Training Program for motorcycle riders is suspended. Riders that have completed the Basic Course and are properly licensed and endorsed by their home state may continue to ride until 01 October 2020 or until training can be scheduled. New riders that have not completed a Basic Course must wait until training resumes.

Department of Defense Education Activity Update:

- DoDEA Fort Campbell Schools will continue Digital Learning through April. A reopening date for school buildings has not been established at this time.
- In response to the feedback of parents and stakeholders, DoDEA is adjusting the structure and content of the student day in Digital Learning to increase options and flexibility. This new schedule and guidelines will be published 10 April. There are no lessons planned for 9 and 10 April, these should be used as student make-up work days.
- 2020-2021 School Year registration is 06-10 April at www.DODEA.EDU/DORS.
